A message from Reverend Ruth Armstrong

Greetings to you all in the name of our Lord Jesus Christ

Well, my first month is over and I have certainly had a good time. I have really enjoyed the e-mail communication that I have had with a large majority of you and the interaction at various weekly events has been a delight and just a lovely time of fellowship and getting to know you all in a different way. I must thank you for your feedback and words of encouragement - they are much appreciated. Please continue to communicate with me as this will be the only way we can be open with each other.

As I have said many times, communication and transparency will be a large part of my ministry but another very important part of my time at St Andrew's will be to visit the congregation and get to know you all better. So with this in mind, from the middle of June (and with Session approval) I will begin inviting people to my house on a Sunday afternoon for tea. I will be sending out invitations (alphabetically) and would greatly appreciate it if you would make every effort to join me, my family and other Church members for an informal get together and a time of fellowship. The reason I have chosen this is so as not to place a burden on you and

so that you can get to know my whole family and see how things happen in my home! However, I will also be visiting you in your homes and have set aside Wednesday mornings (for those who do not work) and so will probably not be in the office on Wednesday mornings. I will make suitable arrangements to visit those who do work, in the evenings.

The very long school holidays and the soccer world cup is upon us and so for all those going away I pray you will have a restful holiday and a lovely time away from "everyday life" and that you will travel carefully and safely and we will see you on your return. I also hope all those going to matches will have a good time and enjoy "the beautiful game"!

God bless
Love
Ruth
